Connect the nasal suction chamber to the fastage

Connect the nasal suction chamber to the fastage

Technical Parameters

Product Name	Electric Nasal Aspirator
Product Model	HY123
Heat size	180 174*43MM
Rated power	5W
Normal voltage	3.7V
Charging port	DC5V-VA(USB)
Product size (mm)	180 174*43MM
Product size (mm)	180 174*43MM

Made in China
